

CRESC MEDIA SERVICES AVAILABLE TO YOU...

ELLISON DIE CUTS and POSTER MAKER

Letters, numbers, and a wide variety of shapes, including many assorted seasonal shapes in sizes from tiny to x-large are offered. The **poster machine** takes an 8 ½" by 11" typed sheet and converts it to poster size (black & white only) for easy viewing in the classroom. Very effective for classroom rules and also common core requirements.

CRICUT MACHINE and BUTTON MAKER

The **Cricut** machine is new and we have several cartridges and ideas to share! The **button machine** enables you to show your appreciation for your students' daily achievements plus the students love to wear the birthday buttons on their special day.

LAMINATION and FOLDERS GAMES

We offer laminating of materials at the price of **\$.35 per foot**. This is a really great price. Plus, we do the laminating for you! A wide assortment of **folder games** for grades Pre-K-4 are available for viewing and the materials to make the games are supplied for a very low price.

SUPPLIES

We have construction paper, poster board, bulletin board paper, library pockets, tag board, felt, and laminated paper for classroom projects and bulletin boards.
